Young children

Young children are welcome at The Woodville, and effort is made to make their early theatre experiences magical. Young children, including babes in arms, require a valid ticket, and children over 24 months old will need to be paid for. Please advise the Box Office on arrival if you have booked online and require a ticket for a babe in arms. Children under the age of 16 must be accompanied by an adult aged 18 years or over, who must be seated with the child and accompany them throughout their visit. It is the customer's responsibility to check the suitability of a performance for any children in their party regardless of any official age recommendation guidance. In the interests of other customers, parents or guardians may be asked to take noisy or disruptive children out of the auditorium.

Patron Behaviour Policy

Any customers who are intoxicated or are disruptive, abusive or violent towards theatre staff, audience members or performers will be ejected from the theatre. In such circumstances no refunds will be given. The Woodville does not accept responsibility for the behaviour of other customers in the theatre. Smoking and vaping are not permitted inside the theatre.

Recording

The unauthorised use of video, photographic and other recording equipment of any kind is strictly prohibited in the auditorium. The Company reserves the right to delete any unauthorised recordings and to eject any customers who are suspected of making recordings from the theatre. Performances may be filmed or recorded on occasion. Ticket holders automatically consent to the filming or sound recording of themselves as audience members. If you have any objections to being filmed or recorded please speak to a member of the theatre management before the performance begins.
